## **Agreed Removal Decision**

**Registrant:** Jenny Louise Hart

**PIN:** 06G0154E

**Part(s) of the register:** Registered Nurse – Adult Nursing

**Relevant Location:** Staffordshire

On 21 March 2021 we received a referral raising a concern about Jenny Louise Hart's fitness to practise. It's alleged that Jenny Louise Hart incorrectly completed fluid calculations on a patient's fluid chart, failed to notice that a patient was being discharged with the incorrect dose of medication and didn't get a second check by a nurse for the discharge papers and failed to take another reading or escalate concerns following a patient's low temperature reading.

We investigated the issue and Jenny Louise Hart agreed to undertakings recommended by our Case Examiners, intended to address the concerns with her practice. No allegation against Jenny Louise Hart has yet been found substantively proved by one of our statutory committees. On 2 October 2023 we received an application from Jenny Louise Hart for agreed removal from the NMC Register.

### **ASSISTANT REGISTRAR'S DECISION**

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC Register in this case because:

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Jenny Louise Hart's application for agreed removal, I've taken into account:

- Jenny Louise Hart's application for agreed removal
- the response to the application from the maker of the allegations
- the concerns with Jenny Louise Hart's practice
- the interests of Jenny Louise Hart
- the public interest

I'm satisfied that:

- Jenny Louise Hart no longer intends to work as a registered nurse
- the allegations against Jenny Louise Hart are not so serious as to be fundamentally incompatible with continued registration,

- there are no other good reasons requiring us to consider the allegations further at this time,
- the public interest is best served by the immediate removal of Jenny Louise Hart's name from the NMC Register.

This record of decision will be published for twelve months from the date of the decision, 27 February 2024. In the event that Jenny Louise Hart seeks readmission to the Register, we may consider the matters that led to this agreed removal further.
