Part(s) of the register: Registered Nurse – Adult Nursing

Relevant Location: Flintshire

On 8 June 2022, we received a referral raising a concern about Carly Michelle Edwards' fitness to practise. It's alleged that Carly Michelle Edwards made several medication administration errors, failed to keep accurate records of care and provided poor care to a catheterised patient.

Carly Michelle Edwards accepts the concerns that have been raised.

We investigated the issue and a set of undertakings were agreed to address the problems in Carly Michelle Edwards' practice that pose a current risk to patients. No allegation against Carly Michelle Edwards has yet been found substantively proved by one of our statutory committees.

On 24 January 2024, we received an application from Carly Michelle Edwards for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Carly Michelle Edwards' application for agreed removal, I've taken into account:

- the comments received from the person that made the allegation against Carly Michelle Edwards
- the reasons for offering undertakings
- the interests of Carly Michelle Edwards
- the public interest.

I'm satisfied that:

- Carly Michelle Edwards no longer intends to work as a registered nurse
- the allegations against Carly Michelle Edwards are not so serious as to be fundamentally incompatible with continued registration

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by approving the application and allowing Carly Michelle Edwards to leave the NMC register.

This record of decision will be published for twelve months from the date of the decision, **26 March 2024**. In the event that Carly Michelle Edwards seeks readmission to the register, we may consider the matters that led to this agreed removal further.
