Cases that may involve incorrect or fraudulent entry

Reference: SCR-3 Last Updated: 04/09/2025

Please see our guidance on Incorrect and Fraudulent Entry (or "IEFE") for details of how we decide whether an allegation is about a register entry, and when we refer IEFE cases to the Investigating Committee. This guidance also provides details of our approach when we receive concerns about a nurse, midwife or nursing associate that involve both IEFE and fitness to practise allegations.
