

NMC corporate plan 2010-2013

Goal 1 Safeguarding	Public protection will be at the centre of all of our activities. Our work will be designed around and measured against the benefits we can bring to the public.
Objective 1.1	To set and measure high standards of education for nurses and midwives
Objective 1.2	To safeguard the public's health and wellbeing by keeping an accessible accurate register of all nurses and midwives who are fit to practise in the UK
Objective 1.3	To bring about public confidence by taking swift and fair action to deal with individuals whose integrity or ability to provide safe care is questioned
Objective 1.4	To inspire confidence in people using maternity services by assuring the quality of supervision given to midwives
Objective 1.5	To set clear expectations for nurses and midwives in practice so that the public can be confident of the care that they receive from a nurse or a midwife
Goal 2 Stakeholders	We will have open and effective relationships that will enable us to work in the public interest.
Objective 2.1	To develop and maintain open and effective partnerships that help us positively influence the behaviour of nurses and midwives and promote public safety
Objective 2.2	To promote equality and value diversity in all aspects of our work
Objective 2.3	To develop and maintain constructive and responsive communications so that people are well informed about the standards of care expected from nurses and midwives
Goal 3 Staff	Our workforce will have the skills, knowledge and supporting systems needed to help us provide excellent services to the public and the people that we regulate.
Objective 3.1	To build a culture of excellence by attracting, retaining and developing staff to deliver high quality services
Objective 3.2	To have efficient and effective services that support the fulfilment of our statutory functions
Objective 3.3	To develop and maintain effective governance processes that enable us to take clear and robust decisions and demonstrate our accountability
Objective 3.4	To demonstrate that we provide value for money and that our processes are relevant, proportionate and based on evidence
