Nursing and Midwifery Council: Represented by Richard Webb, Case Presenter
Mr Montemayor: Not present and not represented in absence
Interim Order Directed: Interim Suspension order - 18 months
Unless Mr Montemayor’s case has already been concluded or there has been a material change of circumstances, this interim order must be reviewed at a review meeting every six months. The panel will be invited by the NMC to confirm the interim order at this meeting and Mr Montemayor will be notified of the panel’s decision in writing following that meeting.

Where there has been a material change of circumstances which might mean that the order should be revoked or replaced, or there has been a request for an early review, the panel will review the interim order at a hearing which Mr Montemayor will be invited to attend in person, send a representative on his behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

This decision will be confirmed to Mr Montemayor in writing.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mr Montemayor. The NMC will write to Mr Montemayor when the case is ready for the next stage of the fitness to practise process.

That concludes this determination.
