Part(s) of the register: Registered Mental Health Nurse – September 2007

Area of registered address: England

Libhin Bromley (Lay member)

Legal Assessor: Fiona Barnett

Panel Secretary: Tereka Bowes

Nursing and Midwifery Council: Represented by Sylvia Mclean, Case Presenter

Ms Williams: Not present and not represented in absence

Interim Order Directed: Interim suspension order - 18 months
Unless Ms Williams’ case has already been concluded or there has been a material change of circumstances, the panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. The panel will be invited by the NMC to confirm the interim order at this meeting and Ms Williams will be notified of the panel’s decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, the panel will review the interim order at a hearing which Ms Williams will be invited to attend in person, send a representative on her behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

This decision will be confirmed to Ms Williams in writing.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegation made against Ms Williams. The NMC will write to Ms Williams when the case is ready for the next stage of the fitness to practise process.

That concludes this determination.
