Legal Assessor: Nigel Ingram

Panel Secretary: Roshani Wanigasinghe

Nursing and Midwifery Council: Mr Sophie Stannard, NMC Case Presenter

Mrs Snape: Not present or represented in absence

Interim Order Directed: Interim Suspension Order - 18 months
Unless Mrs Snape’s case has already been concluded or there has been a material change of circumstances, the panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. The panel will be invited by the NMC to confirm the interim order at this meeting and Mrs Snape will be notified of the panel’s decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, the panel will review the interim order at a hearing which Mrs Snape will be invited to attend in person, send a representative on her behalf or submit written representations for the panel to consider. At any such review the panel would be assisted by evidence of the progress Mrs Snape has made towards addressing the concerns identified by the panel. A reviewing panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

This decision will be confirmed to Mrs Snape in writing.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mrs Sheldon. The NMC will write to Mrs Snape when the case is ready for the next stage of the fitness to practise process.

That concludes this determination.
