Panel Secretary: Leigham Malcolm
Nursing and Midwifery Council: Represented by Ms Rachael Culverhouse-Wilson,
NMC Case Presenter
Mrs Graham: Not present and not represented in absence
Interim Order Directed: Interim Suspension Order – 18 months
Unless Mrs Graham's case has already been concluded or there has been a material change of circumstances, a panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the NMC to confirm the interim order at this meeting and Mrs Graham will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, another panel will review the interim order at a hearing which Mrs Graham will be invited to attend in person, send a representative on her behalf or submit written representations for the panel to consider. At any such review hearing that panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

This decision will be confirmed to Mrs Graham in writing.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mrs Graham. The NMC will write to Mrs Graham when the case is ready for the next stage of the fitness to practise process.

That concludes this determination.
