Case Presenter
Mr Lunt: Not present and nor represented in his absence
Interim Order to be reviewed: Interim conditions of practice order – 18 months
Outcome of Review: Interim conditions of practice order replaced with interim suspension order
Unless there has been a material change of circumstances, a panel will review the interim suspension order at an administrative meeting within the next six months. A panel will be invited by the NMC to confirm the interim order at this meeting and Mr Lunt will be notified of that panel’s decision in writing following that meeting.

Alternatively, Mr Lunt is entitled to have the interim suspension order reviewed at a hearing. This means that Mr Lunt will be able to attend and make representations, send a representative on his behalf or submit written representations about whether the interim order continues to be necessary. Mr Lunt must inform his case officer if he would like the interim suspension order to be reviewed at a hearing.

Even if Mr Lunt does not request a hearing, where there has been a material change of circumstances that might mean that the interim order should be revoked or replaced, the panel will review the interim order at a hearing which Mr Lunt will be invited to attend.

Mr Lunt should notify the NMC immediately of any material change of circumstances that may affect the interim order.

At any time, Mr Lunt or the NMC may ask for the interim order to be reviewed by a panel if any relevant new information becomes available.

This decision will be confirmed to Mr Lunt in writing.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mr Lunt. The NMC will write to Mr Lunt when the case is ready for the next stage of the fitness to practise process.

That concludes this determination.
