Interim Order to be reviewed: Interim Suspension Order (18 months)
Outcome of Review: Continued
Unless there has been a material change of circumstances, a panel will review the interim suspension order at an administrative meeting within the next six months. That panel will be invited by the NMC to confirm the order at this meeting and Mrs Lane will be notified of that panel’s decision in writing following that meeting.

Alternatively, Mrs Lane is entitled to have the interim suspension order reviewed at a hearing. This means that Mrs Lane will be able to attend and make representations, send a representative on her behalf or submit written representations about whether the order continues to be necessary. Mrs Lane must inform her case officer if she would like the interim suspension order to be reviewed at a hearing.

Even if Mrs Lane does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Mrs Lane and her representative will be invited to attend.

This decision will be confirmed to Mrs Lane in writing.
