**Interim Order Review Hearing
5 October 2020**

Nursing and Midwifery Council
Virtual Hearing

Name of registrant:	Naomi Danielle Shaw
NMC PIN:	01C0474E
Part(s) of the register:	Registered Nurse Adult Nursing – March 2004
Area of registered address:	England
Panel members:	Miriam Karp (Chair, lay member) Winfilda Ngoshi (Registrant member) Alison Fisher (Lay member)
Legal Assessor:	Fiona Moore
Panel Secretary:	Grace Castle
Nursing and Midwifery Council:	Represented by Dominic Bardill, Case Presenter
Ms Shaw:	Not present and unrepresented
Interim order to be reviewed:	Interim conditions of practice order (18 months)
Outcome of review:	Interim conditions of practice order replaced with an interim suspension order

Unless there has been a material change of circumstances, a reviewing panel will review the interim suspension order at an administrative meeting within the next six months. A reviewing panel will be invited by the NMC to confirm the interim suspension order at this meeting and Ms Shaw will be notified of that panel's decision in writing following that meeting.

Alternatively, Ms Shaw is entitled to have the interim suspension order reviewed at a hearing. This means that Ms Shaw will be able to attend and make representations, send a representative on her behalf or submit written representations about whether the interim order continues to be necessary. Ms Shaw must inform her case officer if she would like the interim suspension order to be reviewed at a hearing.

Even if Ms Shaw does not request a hearing, where there has been a material change of circumstances that might mean that the interim suspension order should be revoked or replaced, a reviewing panel will review the interim suspension order at a hearing which Ms Shaw will be invited to attend.

Ms Shaw should notify the NMC immediately of any material change of circumstances that may affect the interim order.

At any time, Ms Shaw or the NMC may ask for the interim order to be reviewed by a panel if any relevant new information becomes available.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Ms Shaw. The NMC will write to Ms Shaw when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Ms Shaw in writing.

That concludes this determination.
