Decision and reasons on interim order

The panel decided to replace the current interim conditions of practice order with an interim suspension order.

Unless there has been a material change of circumstances, a reviewing panel will review the interim suspension order at an administrative meeting within the next six months. A reviewing panel will be invited by the NMC to confirm the interim suspension order at this meeting and Miss Purrott will be notified of that panel's decision in writing following that meeting.

Alternatively, Miss Purrott is entitled to have the interim suspension order reviewed at a hearing. This means that Miss Purrott will be able to attend and make representations, send a representative on Miss Purrott's behalf or submit written representations about whether the interim order continues to be necessary. Miss Purrott must inform her case officer if she would like the interim suspension order to be reviewed at a hearing.

Even if Miss Purrott does not request a hearing, where there has been a material change of circumstances that might mean that the interim suspension order should be revoked or replaced, a reviewing panel will review the interim suspension order at a hearing which Miss Purrott will be invited to attend.

Miss Purrott should notify the NMC immediately of any material change of circumstances that may affect the interim order.

At any time, Miss Purrott or the NMC may ask for the interim order to be reviewed by a panel if any relevant new information becomes available.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Miss Purrott. The NMC will write to Miss Purrott when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Miss Purrott in writing.

That concludes this determination.
