For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery, or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery, or nursing associates.

1. You must limit your nursing practice to your current employer Cygnet Hospital, Bury.
2. [PRIVATE].
3. You must keep us informed about anywhere you are working by telling your case officer within seven days of accepting or leaving your current employment.
4. You must keep us informed about anywhere you are studying by:
 - a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
5. You must immediately give a copy of these conditions to:
 - a) Cygnet Hospital, Bury.
 - b) Any employers you apply to for work (at the time of application).
 - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.

6. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.

7. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
 - a) Any current or future employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
