

**Nursing and Midwifery Council  
Investigating Committee**

**New Interim Order Hearing  
Monday 28 March 2022**

Nursing and Midwifery Council  
Virtual Hearing

**Name of registrant:** Edmore Manjengwa

**NMC PIN:** 18G5567E

**Part(s) of the register:** Registered Nurse – Sub Part 1  
Learning Disabilities Nursing – October 2018

**Area of registered address:** Nottingham

**Panel members:** Robert Collinson (Chair, lay member)  
Rajesh Jayadevan (Registrant member)  
Katriona Crawley (Lay member)

**Legal Assessor:** David Marshall

**Panel Secretary:** Ruth Bass

**Nursing and Midwifery Council:** Represented by Mary Ellen Stewart, Counsel  
instructed by the NMC

**Mr Manjengwa:** Not present and unrepresented at the hearing

**Interim order directed:** **Interim suspension order (18 months)**

Unless Mr Manjengwa's case has already been concluded or there has been a material change of circumstances, a panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. The reviewing panel will be invited by the NMC to confirm the interim suspension order at this meeting and Mr Manjengwa will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Mr Manjengwa will be invited to attend in person, send a representative on his behalf or submit written representations for the panel to consider. At any such review hearing the reviewing panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

A panel of the Investigating Committee has still to deal with the allegations made against Mr Manjengwa. The NMC will keep Mr Manjengwa informed of developments in relation to that issue.

This will be confirmed to Mr Manjengwa in writing.

That concludes this determination.
