Decision and reasons on interim order

The panel decided to replace the current interim conditions of practice order with an interim suspension order.

Unless there has been a material change of circumstances, a reviewing panel will review the interim suspension order at an administrative meeting within the next six months. A reviewing panel will be invited by the NMC to confirm the interim suspension order at this meeting and Mrs Tanner will be notified of that panel's decision in writing following that meeting.

Alternatively, Mrs Tanner is entitled to have the interim suspension order reviewed at a hearing. This means that Mrs Tanner will be able to attend and make representations, send a representative on Mrs Tanner behalf or submit written representations about whether the interim order continues to be necessary. Mrs Tanner must inform her case officer if she would like the interim suspension order to be reviewed at a hearing.

Even if Mrs Tanner does not request a hearing, where there has been a material change of circumstances that might mean that the interim suspension order should be revoked or replaced, a reviewing panel will review the interim suspension order at a hearing which Mrs Tanner and her representative will be invited to attend.

Mrs Tanner should notify the NMC immediately of any material change of circumstances that may affect the interim order. At any time, Mrs Tanner or the NMC may ask for the interim order to be reviewed by a panel if any relevant new information becomes available.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mrs Tanner. The NMC will keep Mrs Tanner informed of developments in relation to that issue.

This will be confirmed to Mrs Tanner in writing.

That concludes this determination.
