PIN: 07F0183E

Part(s) of the register: Registered Nurse – Adult Nursing

Local Authority Area where allegations took place: London

On 5 October 2022 Miranda Clara Hughes was referred to the NMC following a concern about their fitness to practise. The alleged concern was that Miranda Clara Hughes made an inappropriate comment as an audience member on a television show. The NMC investigated the issue and the matter was referred to the fitness to practise committee. No allegation against Miranda Clara Hughes has yet been found substantively proved by one of the NMC's statutory committees.

On 21 July 2023 the NMC received an application for Agreed Removal from the NMC's register by Miranda Clara Hughes.

ASSISTANT REGISTRAR'S DECISION

The Assistant Registrar has delegated authority to make decisions about Agreed Removal, and has approved the application for Agreed Removal in this case because:

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Miranda Clara Hughes's application for Agreed Removal, the Assistant Registrar has taken into account:

- the interests of Miranda Clara Hughes
- evidence that Miranda Clara Hughes is working in a different profession
- comments from the makers of the allegations
- comments from Miranda Clara Hughes
- the public interest

The Assistant Registrar was satisfied:

- That Miranda Clara Hughes no longer intends to work as a registered nurse

- That the allegations against Miranda Clara Hughes were not so serious as to be fundamentally incompatible with continued registration
- There were no other good reasons requiring further consideration of the allegations by the NMC or its Committees at this time
- That the public interest is served by immediate removal of Miranda Clara Hughes from the NMC's register.

This record of decision will be published for twelve months from the date of the Assistant Registrar's decision, 15 August 2023. In the event that Miranda Clara Hughes seeks readmission to the Register, the matters that led to this Agreed Removal may be considered further by the NMC.
