## Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

- 1) You must restrict your employment to the University Hospitals of Derby and Burton NHS Foundation Trust and this must not be a bank position.
- 2) You must not be the nurse in charge or the sole nurse on duty on any shift.
- 3) You must ensure that you are directly supervised any time that you are engaged in the management and administration of medication by another registered nurse.
- 4) You must ensure that you are supervised any time you are working in a clinical role. Your supervision must consist of working at all times on the same shift as, but not always directly observed by, a registered nurse of band 6 or above.
- 5) You must have fortnightly meetings with your line manager/supervisor/mentor to discuss your clinical performance and conduct with specific reference to:
  - a) Clinical competencies in relation to working as a Band 5 nurse;
  - b) Management and administration of medication;
  - c) [PRIVATE];
  - d) Time management; and
  - e) Your conduct in the workplace.
- 6) You must obtain a report from your line manager/supervisor/mentor detailing your:

- a) Clinical competencies in relation to working as a Band 5 nurse;
- b) Management and administration of medication;
- c) [PRIVATE];
- d) Time management; and
- e) Your conduct in the workplace.

You must send a copy of this report to your NMC case officer before the next review hearing or meeting.

- 7) You must keep the NMC informed about anywhere you are studying by:
  - a) Telling your case officer within seven days of accepting any course of study.
  - b) Giving your case officer the name and contact details of the organisation offering that course of study.
  
- 8) You must immediately give a copy of these conditions to:
  - a) Your employer.
  - b) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
  
- 9) You must tell your case officer, within seven days of your becoming aware of:
  - a) Any clinical incident you are involved in.
  - b) Any investigation started against you.
  - c) Any disciplinary proceedings taken against you.
  
- 10) You must allow your case officer to share, as necessary, details about your performance, your compliance with and/or progress under these conditions with:
  - a) Your employer.
  - b) Any educational establishment.
  - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the

Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
