Agreed Removal Decision

Registrant: Regina Titilayo Afolabi

PIN: 05L01070

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Aberdeenshire

On 7 May 2025 we received a referral raising a concern about Regina Titilayo Afolabi's fitness to practise. It's alleged that over two shifts, Mrs Afolabi made three medication administration and recording errors, altered a medication record and confirmed that a resident's dressings were intact after which they were found to be missing.

We investigated the issue and the matter was referred to Screening. No allegation against Regina Titilayo Afolabi has yet been found substantively proved by one of our statutory committees.

On 14 May 2025 we received an application from Regina Titilayo Afolabi for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Regina Titilayo Afolabi's application for agreed removal, I've taken into account:

- comments received from the person that made the allegation against Regina Titilayo Afolabi
- Mrs Afolabi's application for removal from the register dated 14 May 2025
- the investigation documentation
- Case Examiner's decision letter dated 20 May 2021 in relation to a previous referral in 2019
- the interests of Regina Titilayo Afolabi
- the public interest.

I'm satisfied that:

- Regina Titilayo Afolabi no longer intends to work as a registered nurse
- the allegations against Regina Titilayo Afolabi aren't likely to result in a striking-off order

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Regina Titilayo Afolabi to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 27 August 2025. In the event that Regina Titilayo Afolabi seeks readmission to the register, we may consider the matters that led to this agreed removal further.
