Agreed Removal Decision

Registrant: Omosola Adeyemi

PIN: 05C0489O

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Hampshire

On 1 November 2022 we received a referral raising a concern about Omosola Adeyemi's fitness to practise. It's alleged that Omosola Adeyemi failed to act appropriately in response to a patient with a possible hip fracture in that they didn't advocate for them, didn't document care to an adequate standard and didn't complete a full patient assessment.

Omosola Adeyemi doesn't admit the concerns that have been raised.

We investigated the issue and the matter was referred to the case examiners. On 5 August 2024 the case examiners decided that undertakings would provide Omosola Adeyemi with a pathway back to safe practice.

On 15 November 2025 we received an application from Omosola Adeyemi for agreed removal from the NMC register.

No allegation against Omosola Adeyemi has yet been found substantively proved by one of our statutory committees.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Omosola Adeyemi's application for agreed removal, I've taken into account:

- the agreed removal application
- Omosola Adeyemi's response to the regulatory concerns
- the reasons for the case examiners' decision to recommend undertakings
- the interests of Omosola Adeyemi
- the public interest.

We contacted the person who made the allegation against Omosola Adeyemi for their comments on the application for agreed removal. They told us that they have no comments to make.

I'm satisfied that:

- Omosola Adeyemi no longer intends to work as a registered nurse
- the allegations against Omosola Adeyemi aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Omosola Adeyemi to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 9 December 2025. In the event that Omosola Adeyemi seeks readmission to the register, we may consider the matters that led to this agreed removal further.
