Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your nursing practice to one substantive employer which must be CAMHS Professional Agency.
2. You must not work in any managerial position and must not have any line management or supervisory responsibilities.
3. You must have monthly meetings with your placement service manager to discuss:
 - a) Maintaining professional boundaries with colleagues; and
 - b) Maintaining professional communication with colleagues.
4. You must obtain and send to the NMC a report in advance of any NMC review hearing or meeting from your agency service manager commenting on:
 - a) Maintaining professional boundaries with colleagues; and
 - b) Maintaining professional communication with colleagues.
5. You must keep us informed about anywhere you are working and if not, by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.

- b) Giving your case officer your employer's contact details.
- 6. You must keep us informed about anywhere you are studying by:
 - a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
- 7. You must immediately give a copy of these conditions to:
 - a) CAMHS Professional Agency;
 - b) Any placement you undertake through CAMHS Professional Agency;
 - c) Any employers you apply to for work (at the time of application);
 - d) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
- 8. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.
- 9. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
 - a) Any current or future employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Mr Anderson's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter.

Additionally, Mr Anderson or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mr Anderson. The NMC will keep Mr Anderson informed of developments in relation to that issue.

This will be confirmed to Mr Anderson in writing.

That concludes this determination.
