Agreed Removal Decision

Registrant: Hayley Stevenson

PIN: 13C1163E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Antrim

On 27 November 2023 we received a referral raising a concern about Hayley Stevenson's fitness to practise.

The referral gave rise to a concern that Hayley Stevenson has a health condition capable of impairing her fitness to practise.

We investigated the issue, and the matter was referred to the Fitness to Practise Committee. No allegation against Hayley Stevenson has yet been found substantively proved by one of our statutory committees.

On 20 November 2025 we received an application from Hayley Stevenson for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Hayley Stevenson's application for agreed removal, I've taken into account:

- comments received from the person that made the allegation against Hayley Stevenson
- documents obtained in the course of our investigation
- the interests of Hayley Stevenson
- the public interest.

I'm satisfied that:

- Hayley Stevenson no longer intends to work as a registered nurse
- the allegations against Hayley Stevenson aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time

- the public interest is best served by agreeing the application for removal and enabling Hayley Stevenson to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 2 December 2025. In the event that Hayley Stevenson seeks readmission to the register, we may consider the matters that led to this agreed removal further.
