## **Decision and reasons on interim order**

The panel decided to confirm the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

‘For the purposes of these conditions, ‘employment’ and ‘work’ mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, ‘course of study’ and ‘course’ mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your nursing practice to a single substantive employer this can be through an agency but each individual placement must be for a minimum of three months.
2. You must not work as the nurse in charge on any shift.
3. You must ensure that you are supervised by a registered nurse any time you are working. Your supervision must consist of working at all times on the same shift as, but not always directly observed by, a registered nurse.

  - a) Your employer
  - b) Any educational establishment
  - c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Mr Sreedevi's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter.

Additionally, Mr Sreedevi or the Nursing and Midwifery Council (NMC) may ask for the

interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mr Sreedevi. The NMC will keep Mr Sreedevi informed of developments in relation to that issue.

This will be confirmed to Mr Sreedevi in writing.

That concludes this determination.
