Decision and reasons on interim order

The panel decided to make an interim conditions of practice order for a period of 18 months.

The panel has determined that the following conditions are proportionate and appropriate:

 employer is an agency, the placement must be for a minimum of 3
 months.
 - You must ensure that you are indirectly supervised by a Registered Nurse or doctor any time you are working. Your supervision must consist of working at all times on the same shift, but not always directly observed.

 - b. Medications
 - c. Patient consultations

 - 4. You must obtain a report from your line manager, mentor or supervisor and send it to the NMC prior to any review. The report must outline your clinical performance and wellbeing, with particular reference to record keeping, incorporating but not limited to:
 - a. Observations

 - c. Any employers you apply to for work (at the time of application).
- 8. You must tell your case officer, within seven days of your becoming aware of:
 - a. Any clinical incident you are involved in.
 - b. Any investigation started against you.

 - a. Any current or future employer.
 - b. Any educational establishment.
 - Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
