

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Lauren Claire Stunell

PIN: 09H0745E

Part(s) of the register: Registered Nurse - Children

Relevant Location: Greater London

On 1 September 2023 we received a referral raising a concern about Lauren Stunell's fitness to practise. The referral gave rise to a concern that Lauren Stunell has a health condition capable of impairing her fitness to practise.

We investigated the issue and a set of undertakings were agreed as a pathway back to safe practice. No allegation against Lauren Stunell has yet been found substantively proved by one of our statutory committees.

On 4 August 2025 we received an application from Lauren Stunell for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Lauren Stunell's application for agreed removal, I've taken into account:

- case examiners' decision and agreed undertakings
- Lauren Stunell's application for agreed removal
- the interests of Lauren Stunell
- the public interest.

We sought to contact the person who made the allegation against Lauren Stunell for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Lauren Stunell no longer intends to work as a registered nurse
- the allegations against Lauren Stunell aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time

- the public interest is best served by agreeing the application for removal and enabling Lauren Stunell to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **5 November 2025**. In the event that Lauren Stunell seeks readmission to the register, we may consider the matters that led to this agreed removal further.
