

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Gillian Travers Anthony

PIN: 84I1533E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Gloucestershire

On 28 January 2025 we received a referral raising a concern about Gillian Travers Anthony's fitness to practise. It's alleged that Gillian Travers Anthony received a conditional caution for two counts of theft of prescription medication. Gillian Travers Anthony admits the allegations.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Gillian Travers Anthony has yet been found substantively proved by one of our statutory committees.

On 26 June 2025 we received an application from Gillian Travers Anthony for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Gillian Travers Anthony's application for agreed removal, I've taken into account:

- Gillian Travers Anthony's agreed removal application form dated 26 June 2025 and supporting documentation
- documents obtained during the investigation of the case
- Gillian Travers Anthony's reflective statements
- the interests of Gillian Travers Anthony
- the reasons for referring the case to the Fitness to Practise Committee
- comments received from the person that made the allegation against Gillian Travers Anthony
- the public interest.

I'm satisfied that:

- Gillian Travers Anthony no longer intends to work as a registered nurse

- taking into account Gillian Travers Anthony's reflection and surrounding context to the incidents, the allegations against Gillian Travers Anthony aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Gillian Travers Anthony to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 18 September 2025. In the event that Gillian Travers Anthony seeks readmission to the register, we may consider the matters that led to this agreed removal further.
