Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

As such it has determined that the following conditions are proportionate, appropriate and necessary:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must not be the nurse in charge of any shift or ward.
2. You must not undertake any managerial responsibilities.
3. You must meet with your line manager, mentor or supervisor on a monthly basis to discuss:
 - Recognition, assessment and escalation of risk in a clinical setting
 - Safeguarding: when, where and how to speak up
 - Interactions with residents/patients and their families.
 - Any additional training requirements to address these concerns.

Before any review of your case, you must provide a report to the NMC from your line manager, mentor or supervisor of these meetings.

4. You must keep the NMC informed about anywhere you are working by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.

- b) Giving your case officer your employer's contact details.
5. You must keep the NMC informed about anywhere you are studying by:
- a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
6. You must immediately give a copy of these conditions to:
- a) Any organisation or person you work for.
 - b) Any agency you apply to or are registered with for work.
 - c) Any employers you apply to for work (at the time of application).
 - d) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
7. You must tell your case officer, within seven days of your becoming aware of:
- a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.
8. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
- a) Any current or future employer.
 - b) Any educational establishment.

- c) Any other person(s) involved in your retraining and/or supervision required by these conditions

The panel decided to vary this interim conditions of practice order and it will run for the remainder of the current interim order.

Unless Mrs Jordan's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mrs Jordan or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review, the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

In certain circumstances, it may be possible for the interim conditions of practice order to be reviewed by a reviewing panel at an administrative meeting. Mrs Jordan's case officer will write to her about this in due course.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mrs Jordan. The NMC will keep Mrs Jordan informed of developments in relation to that issue.

This will be confirmed to Mrs Jordan in writing.

That concludes this determination.
