

# **Nursing and Midwifery Council**

## **Agreed Removal Decision**

**Registrant:** Gayle Kathryn Mawdsley

**PIN:** 96J0613E

**Part(s) of the register:** Registered Nurse - Adult Nursing

**Relevant Location:** Lancashire

On 18 June 2024 Gayle Kathryn Mawdsley referred herself to us in relation to concerns about her fitness to practise.

The referral gave rise to a concern that Gayle Kathryn Mawdsley has a health condition capable of impairing her fitness to practise.

We investigated the issue, and the matter was referred to the Fitness to Practise Committee. No allegation against Gayle Kathryn Mawdsley has yet been found substantively proved by one of our statutory committees.

On 30 November 2025 we received an application from Gayle Kathryn Mawdsley for agreed removal from the NMC register.

### **ASSISTANT REGISTRAR'S DECISION**

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Gayle Kathryn Mawdsley's application for agreed removal, I've taken into account:

- documents obtained during our investigation
- the interests of Gayle Kathryn Mawdsley
- the public interest.

We wrote to Gayle Kathryn Mawdsley's employer at the time of the concerns to seek their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Gayle Kathryn Mawdsley no longer intends to work as a registered nurse
- the allegations against Gayle Kathryn Mawdsley aren't likely to result in a striking-off order

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Gayle Kathryn Mawdsley to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **15 April 2026**. In the event that Gayle Kathryn Mawdsley seeks readmission to the register, we may consider the matters that led to this agreed removal further.
