

**Nursing and Midwifery Council
Investigating Committee**

**Interim Order Review Hearing
Wednesday, 29 April 2026**

Virtual Hearing

Name of Registrant:	Manus Antony Gererd Murphy
NMC PIN:	86K0010N
Part(s) of the register:	Registered Nurse – Sub Part 1 Learning Disabilities Nursing (Level 1) – 15 March 1990
Relevant Location:	Belfast, Northern Ireland
Panel members:	Petra Leseberg (Chair, Lay member) Naomi Smith (Registrant member) Tasneem Dhanji (Lay member)
Legal Assessor:	Elisa Hopley
Hearings Coordinator:	Hazel Ahmet
Nursing and Midwifery Council:	Represented by James Edenborough, Case Presenter
Mr Murphy:	Not present and not represented at the hearing
Interim order to be reviewed:	Interim suspension order (18 months)
Outcome of review:	Interim suspension order confirmed

The panel decided to confirm the interim suspension order.

Unless there has been a material change of circumstances, a reviewing panel will review the interim suspension order at an administrative meeting within the next six months. A reviewing panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim suspension order at this meeting and Mr Murphy will be notified of that panel's decision in writing following that meeting.

Alternatively, Mr Murphy is entitled to have the interim suspension order reviewed at a hearing. This means that Mr Murphy will be able to attend and make representations, send a representative on Mr Murphy's behalf or submit written representations about whether the interim order continues to be necessary. Mr Murphy must inform his case officer if he would like the interim suspension order to be reviewed at a hearing.

Even if Mr Murphy does not request a hearing, where there has been a material change of circumstances that might mean that the interim order should be revoked or replaced, a reviewing panel will review the interim suspension order at a hearing which Mr Murphy and his representative will be invited to attend.

Mr Murphy should notify the NMC immediately of any material change of circumstances that may affect the interim order.

At any time, Mr Murphy or the NMC may ask for the interim order to be reviewed by a panel if any relevant new information becomes available.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mr Murphy. The NMC will write to Mr Murphy when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Mr Murphy in writing.

That concludes this determination.
