ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering James Forbes Mcgurk Wilson's application for agreed removal, I've taken into account:

- the agreed removal application form and communication records
- information and evidence obtained during the investigation of the case so far
- the interests of James Forbes Mcgurk Wilson
- the public interest
- comments received from the person that made the allegation against James Forbes Mcgurk Wilson.

I'm satisfied that:

- there's enough information for me to make a decision about the seriousness of the concerns and the public interest in removing James Forbes Mcgurk Wilson from our register without completing our investigation
- James Forbes Mcgurk Wilson no longer intends to work as a registered nurse

- although allegations of dishonesty sit at the more serious end of the spectrum, taking all of the information into account, the allegations against James Forbes Mcgurk Wilson aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling James Forbes Mcgurk Wilson to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **16 April 2026**. In the event that James Forbes Mcgurk Wilson seeks readmission to the register, we may consider the matters that led to this agreed removal further.
