Agreed Removal Decision

Registrant: Jan Michael Colinares

PIN: 19K0671O

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Kent

On 2 October 2024 we received a referral raising a concern about Jan Michael Colinares's fitness to practise. It's alleged that he didn't record patient observations at the time they were taken and that he subsequently recorded inaccurate observations and others which may have been inaccurate. There is some evidence that Jan Michael Colinares knew he was making inaccurate patient records.

We referred the matter to the case examiners and we're in the process of investigating the concerns. No allegation against Jan Michael Colinares has yet been found substantively proved by one of our statutory committees. However, Jan Michael Colinares has acknowledged that he didn't always make contemporaneous records and that he didn't ensure he made accurate records.

On 15 October 2024 we received an application from Jan Michael Colinares for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Jan Michael Colinares's application for agreed removal, I've taken into account:

- comments received from the person who made the allegation against Jan Michael Colinares
- documents received relating to the allegations, including disciplinary documents and medical records
- the interests of Jan Michael Colinares
- the public interest.

I'm satisfied that:

- Jan Michael Colinares no longer intends to work as a registered nurse

- the allegations against Jan Michael Colinares aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Jan Michael Colinares to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **18 August 2026**. In the event that Jan Michael Colinares seeks readmission to the register, we may consider the matters that led to this agreed removal further.
