Decision and reasons on interim order

The panel decided to replace the current interim conditions of practice order with an interim suspension order.

Unless there has been a material change of circumstances, a reviewing panel will review the interim suspension order at an administrative hearing within the next six months.

Alternatively, Miss Davies is entitled to have the interim suspension order reviewed at a hearing. This means that Miss Davies will be able to attend and make representations, send a representative on her behalf or submit written representations about whether the interim order continues to be necessary. Miss Davies must inform her case officer if she would like the interim suspension order to be reviewed at a hearing.

Even if Miss Davies does not request a hearing, where there has been a material change of circumstances that might mean that the interim suspension order should be revoked or replaced, a reviewing panel will review the interim suspension order at a hearing which she and her representative will be invited to attend.

Miss Davies should notify the NMC immediately of any material change of circumstances that may affect the interim order.

At any time, Miss Davies or the NMC may ask for the interim order to be reviewed by a panel if any relevant new information becomes available.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Miss Davies. The NMC will keep Miss Davies informed of developments in relation to that issue.

This will be confirmed to Miss Davies in writing.

That concludes this determination.
