Part(s) of the register:	Registered Nurse – Sub Part 1 Adult Nursing (Level 1) – 17 September 2016
Relevant Location:	London
Panel members:	Judith Ebbrell (Chair, Registrant member) Nicola Harvey (Registrant member) Neil Slater (Lay member)
Hearings Coordinator:	Hazel Ahmet
Interim order to be reviewed:	Interim suspension order (18 months)
Outcome of review:	Interim suspension order confirmed

Decision and reasons on interim order

The panel decided to confirm the current interim suspension order.

Unless there has been a material change of circumstances, a panel will review the interim suspension order at an administrative meeting within the next six months. The reviewing panel will be invited by the NMC to confirm the order at this meeting and Mr Redmond will be notified of that panel's decision in writing following that meeting.

Alternatively, Mr Redmond is entitled to have the interim suspension order reviewed at a hearing. This means that Mr Redmond will be able to attend and make representations, send a representative on his behalf or submit written representations about whether the order continues to be necessary. Mr Redmond must inform his case officer if he/she/they would like the interim suspension order to be reviewed at a hearing.

Even if Mr Redmond does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Mr Redmond and his representative will be invited to attend.

This decision will be confirmed to Mr Redmond in writing.

That concludes this determination.
