## Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

*'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role.*

*Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.*

2. You must ensure that you are directly supervised by another registered nurse any time you are working.

  - Patient assessment (in particular, clinical observations and plotting them on the NEWS chart).
  - Identifying patient deterioration and escalation.
  - Clinical planning and organisation.
  - Record keeping.
4. You must send a report to your case officer before any future NMC hearing. This report must comment on your performance in the following areas:
  - Patient assessment (in particular, clinical observations and plotting them on the NEWS chart).
  - Identifying patient deterioration and escalation.

  - Record keeping.

- a) Any clinical incident you are involved in.
  - b) Any investigation started against you.

- c) Any disciplinary proceedings taken against you.
9. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
- a) Any current or future employer.
  - b) Any educational establishment.
  - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless Miss Alexander's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Miss Alexander or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Miss Alexander. The NMC will keep Miss Alexander informed of developments in relation to that issue.

This will be confirmed to Miss Alexander in writing.

That concludes this determination.
