Agreed Removal Decision

Registrant: David Henry Forster

PIN: 87D0162E

Part(s) of the register: Registered Nurse –Adult

Relevant Location: Essex

On 27 January 2025 we received a referral raising a concern regarding Mr David Forster's fitness to practise. It is alleged that Mr Forster worked outside of the scope of his competence by prescribing medication to a patient, when he was not a nurse prescriber, that the medications administered were contraindicated, that his record keeping was poor and that he failed to assess Patient A adequately.

No allegation against Mr Forster has yet been found substantively proved by one of our statutory committees.

On 28 March 2025 we received an application from Mr Forster for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Mr Forster's application for agreed removal, I have taken into account:

- the agreed removal application form, dated 28 March 2025
- evidence obtained in the case so far
- the interests of Mr Forster
- the public interest.

We have not received comments from maker of the allegation with respect to Mr Forster's request to be removed from the register.

I'm satisfied that:

- Mr Forster no longer intends to work as a registered nurse
- there are no other good reasons requiring us to consider the allegations further at this time
- there is enough information to make a decision about the seriousness of the concerns and the public interest in agreeing removal without completing our investigation
- the public interest is best served by agreeing the application for removal and enabling Mr Forster to leave the NMC register.

We will publish a record of this decision for twelve months from the date of the decision: **22.01.2026** In the event that Mr Forster seeks readmission to the register, we may consider the matters that led to this agreed removal further.
