

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Nuzhat Hussain

PIN: 22A1928E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Greater Manchester

On 11 October 2023 we received a referral raising a concern about Nuzhat Hussain's fitness to practise. It's alleged that Nuzhat Hussain failed to demonstrate the standards of knowledge, skill and judgement required to practise without supervision as a Band 5 nurse.

We investigated the issue and on 24 June 2024 the case examiners considered this case and decided there is a case for Nuzhat Hussain to answer. They recommended undertakings which Nuzhat Hussain accepted.

No allegation against Nuzhat Hussain has yet been found substantively proved by one of our statutory committees.

On 6 November 2025 we received an application from Nuzhat Hussain for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Nuzhat Hussain's application for agreed removal, I've taken into account:

- comments received from the person that made the allegation against Nuzhat Hussain dated 6 November 2025
- agreed removal application form dated 31 October 2025
- report to the case examiners and accompanying documentation
- case examiner decision letter dated 2 July 2024
- the interests of Nuzhat Hussain
- the public interest.

I'm satisfied that:

- Nuzhat Hussain no longer intends to work as a registered nurse

- the allegations against Nuzhat Hussain aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Nuzhat Hussain to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **26 February 2026**. In the event that Nuzhat Hussain seeks readmission to the register, we may consider the matters that led to this agreed removal further.
