### **ASSISTANT REGISTRAR'S DECISION**

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Kathleen Gwyneth Anne Senchal's application for agreed removal, I've taken into account:

- Kathleen Gwyneth Anne Senchal's agreed removal application and supporting documents
- documents obtained during the investigation of the case
- the interests of Kathleen Gwyneth Anne Senchal
- the public interest.

We contacted the person who made the allegation against Kathleen Gwyneth Anne Senchal for their comments on the application for agreed removal. They've told us they have no comments to add.

I'm satisfied that:

- Kathleen Gwyneth Anne Senchal no longer intends to work as a registered nurse

- there's enough information for me to make a decision about the seriousness of the concerns and the public interest in removing Kathleen Gwyneth Anne Senchal from the register
- the allegations against Kathleen Gwyneth Anne Senchal relate to her health and aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Kathleen Gwyneth Anne Senchal to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 23 February 2026. In the event that Kathleen Gwyneth Anne Senchal seeks readmission to the register, we may consider the matters that led to this agreed removal further.
