Decision and reasons on interim order

The panel decided to make an interim suspension order for a period of 18 months.

Unless Mrs Simon Massy's case has already been concluded or there has been a material change of circumstances, a panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. The reviewing panel will be invited by the NMC to confirm the interim suspension order at this meeting and Mrs Simon Massy will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Mrs Simon Massy will be invited to attend in person, send a representative on her behalf or submit written representations for the panel to consider. At any such review hearing the reviewing panel may revoke the interim order, it may confirm the interim suspension order, or it may replace it with an interim conditions of practice order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mrs Simon Massy. The NMC will write to Mrs Simon Massy when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Mrs Simon Massy in writing.

That concludes this determination.
