Agreed Removal Decision

Registrant: Rebecca Martha Barrett

PIN: 94D1156E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Greater London

On 4 April 2022 we received a referral raising a concern about Rebecca Martha Barrett's fitness to practise.

The referral gave rise to a concern that Rebecca Martha Barrett has a health condition capable of impairing her fitness to practise.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Rebecca Martha Barrett has yet been found substantively proved by one of our statutory committees.

On 22 October 2025 we received an application from Rebecca Martha Barrett for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Rebecca Martha Barrett's application for agreed removal, I've taken into account:

- documents obtained during our investigation
- the interests of Rebecca Martha Barrett
- the public interest.

We sought to contact the person who made the allegation against Rebecca Martha Barrett for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Rebecca Martha Barrett no longer intends to work as a registered nurse
- the allegations against Rebecca Martha Barrett aren't likely to result in a striking-off order

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Rebecca Martha Barrett to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **12 January 2026**. In the event that Rebecca Martha Barrett seeks readmission to the register, we may consider the matters that led to this agreed removal further.
