## **Decision and reasons on interim order**

The panel decided to confirm the current interim conditions of practice order.

Unless there has been a material change of circumstances, a panel will review the interim suspension order at an administrative meeting within the next six months. The reviewing panel will be invited by the NMC to confirm the order at this meeting and Miss Dukulay will be notified of that panel's decision in writing following that meeting.

Alternatively, Miss Dukulay is entitled to have the interim suspension order reviewed at a hearing. This means that Miss Dukulay will be able to attend and make representations, send a representative on her behalf or submit written representations about whether the order continues to be necessary. Miss Dukulay must inform her case officer if she would like the interim suspension order to be reviewed at a hearing.

Even if Miss Dukulay does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Miss Dukulay and her representative will be invited to attend.

This decision will be confirmed to Miss Dukulay in writing.

That concludes this determination.
