'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.'

1. You must limit your employment to one substantive employer. If this is an agency, your work placements must be for no less than 3 months in one setting.

4. You must have monthly meetings with your clinical line manager or supervisor to discuss the following:

 - c) [PRIVATE]
5. You must provide a report from your clinical line manager or supervisor before the next review hearing, commenting on your progress in relation to:

 - b) Any educational establishment; and

- c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Miss Evans' case has already been concluded or there has been a material change of circumstances, a panel will review the interim conditions of practice order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim conditions of practice order at this meeting and Miss Evans will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Miss Evans will be invited to attend in person, send a representative on Miss Evans' behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim conditions of practice order or it may replace it with an interim suspension order.

This will be confirmed to Miss Evans in writing.

That concludes this determination.
