## **Decision and reasons on interim order**

The panel decided to confirm the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

‘For the purposes of these conditions, ‘employment’ and ‘work’ mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, ‘course of study’ and ‘course’ mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your nursing practice to one substantive employer which must not be an agency.
2. You must not be the nurse in charge of any shift.
3. You must not work night duties when a role involves face to face contact with patients.
4. You must ensure that you are indirectly supervised by another registered nurse any time you are working. Your supervision must consist of working at all times on the same shift as, but not always directly observed by, a registered nurse.
5. You must have a monthly meeting with your line manager/supervisor to discuss:
  - a) Record keeping and handover to colleagues
  - b) Duty of candour
  - c) Management of falls and adherence to policies
6. You must send a report to your Case Officer seven days in advance of any NMC hearing or meeting, from your line manager or supervisor, regarding your progress in the following areas:
  - a) Record keeping and handover to colleagues

- b) Duty of candour
  - c) Management of falls and adherence to policies
- 7. You must keep the NMC informed about anywhere you are working by:
  - a) Telling your case officer within seven days of accepting or leaving any employment.
  - b) Giving your case officer your employer's contact details.
- 8. You must keep the NMC informed about anywhere you are studying by:
  - a) Telling your case officer within seven days of accepting any course of study.
  - b) Giving your case officer the name and contact details of the organisation offering that course of study.
- 9. You must immediately give a copy of these conditions to:
  - a) Any organisation or person you work for.
  - b) Any employers you apply to for work (at the time of application).
  - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
- 10. You must tell your case officer, within seven days of your becoming aware of:
  - a) Any clinical incident you are involved in.
  - b) Any investigation started against you.
  - c) Any disciplinary proceedings taken against you.

11. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
  - a) Any current or future employer.
  - b) Any educational establishment.
  - c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Mrs Peel's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mrs Peel or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mrs Peel. The NMC will keep Mrs Peel informed of developments in relation to that issue.

This will be confirmed to Mrs Peel in writing.

That concludes this determination.
