Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order.

Accordingly, the panel was satisfied that the order remains necessary on the same grounds and for the same reasons as previously stated by the Investigating Committee panel at the original hearing. The panel decided to confirm the following interim conditions of practice order:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must work for one substantive employer. This must not be an agency.
2. You must not be the nurse in charge of any shift.
3. You must not manage or administer medication unless supervised by another registered nurse. This supervision must consist of working at all times while being directly supervised by a registered nurse.
4. You must undertake fortnightly meetings with your line manager or supervisor to discuss your performance and conduct, specifically in relation to your medication management and administration.
5. You must send the NMC a report prior to each review from your line manager or supervisor detailing your performance and conduct, specifically in relation to your medication management and administration.

6. You must keep the NMC informed about anywhere you are working by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.
 - b) Giving your case officer your employer's contact details.
7. You must keep the NMC informed about anywhere you are studying by:
 - a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
8. You must immediately give a copy of these conditions to:
 - a) Any organisation or person you work for.
 - b) Any employers you apply to for work (at the time of application).
 - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
9. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.
10. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
 - a) Any current or future employer.

- b) Any educational establishment.
- c) Any other person(s) involved in your retraining
and/or supervision required by these conditions

Unless there has been a material change of circumstances, a panel will review the interim conditions of practice order at an administrative meeting within the next six months. The reviewing panel will be invited by the NMC to confirm the order at this meeting and Mrs Dyson will be notified of that panel's decision in writing following that meeting.

Alternatively, Mrs Dyson is entitled to have the interim conditions of practice order reviewed at a hearing. This means that Mrs Dyson will be able to attend and make representations, send a representative on her behalf or submit written representations about whether the order continues to be necessary. Mrs Dyson must inform her case officer if she would like the interim conditions of practice order to be reviewed at a hearing.

Even if Mrs Dyson does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Mrs Dyson and her representative will be invited to attend.

This decision will be confirmed to Mrs Dyson in writing.

That concludes this determination.
