ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Dionne Susan Homewood's application for agreed removal, I've taken into account:

- comments received from the person who made the allegation against Dionne Susan Homewood
- documents obtained during our investigation
- the interests of Dionne Susan Homewood
- the public interest.

I'm satisfied that:

- Dionne Susan Homewood no longer intends to work as a registered nurse
- the allegations against Dionne Susan Homewood aren't likely to result in a striking-off order

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Dionne Susan Homewood to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 24 July 2026. In the event that Dionne Susan Homewood seeks readmission to the register, we may consider the matters that led to this agreed removal further.
