Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

1. You must limit your practice to one substantive employer. If working for an agency any placement must be for a minimum of 3 months.
2. You must not be the nurse in charge at any shift.
3. You must ensure that you are supervised any time that you are working. Your supervision must consist of working at all times on the same shift as, but not always directly observed by another registered nurse.
4. You must meet with your line manager or supervisor on a fortnightly basis to discuss your performance in relation to:
 - a) Record keeping.
 - b) Care planning and assessment.

 - f) Management of patient with mental health crisis.
 - g) Communication.

5. You must send the NMC a report prior to any review hearing or meeting from your line manager or supervisor regarding your performance and progress in relation to:
 - a) Record keeping

9. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any clinical incident you are involved in.
 - b) Any investigation started against you.

10. You must allow your case officer to share, as necessary, details about your performance, your compliance with and/or progress under these conditions with:
 - a) Any current or future employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless Mr Osamor's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mr Osamor or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mr Osamor. The NMC will keep Mr Osamor informed of developments in relation to that issue.

This will be confirmed to Mr Osamor in writing.

That concludes this determination.
