

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Erica Solley

PIN: 97B0249E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Hampshire

On 12 January 2024 we received a referral raising a concern about Erica Solley's fitness to practise.

It's alleged that Erica Solley demonstrated poor prescribing and medication practice, poor record keeping and failed to involve a patient's family in a discussion relating to their health.

Although Erica Solley doesn't accept all the concerns that have been raised about her, she does accept that she is no longer fit to practise due to the passage of time since she last worked as a nurse.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Erica Solley has yet been found substantively proved by one of our statutory committees.

On 18 June 2026 we received an application from Erica Solley for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Erica Solley's application for agreed removal, I've taken into account:

- comments received from the person who made the allegation against Erica Solley
- documents obtained during our investigation
- the case examiners' decision dated 10 February 2026
- the interests of Erica Solley
- the public interest.

I'm satisfied that:

- Erica Solley no longer intends to work as a registered nurse
- the allegations against Erica Solley aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Erica Solley to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **21 July 2026**. In the event that Erica Solley seeks readmission to the register, we may consider the matters that led to this agreed removal further.
