Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Lancashire

On 2 February 2022, we received a referral raising a concern about Georgina Marie Cullen's fitness to practise. The referral gave rise to concern that Georgina Marie Cullen's fitness to practise may be impaired by reason of health.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Georgina Marie Cullen has yet been found substantively proved by one of our statutory committees.

On 13 May 2026, we received an application from Georgina Marie Cullen for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Georgina Marie Cullen's application for agreed removal, I've taken into account:

- the agreed removal application form and supporting documents
- the reasons for the decision to refer the matter to the Fitness to Practise Committee
- the evidence obtained about Georgina Marie Cullen's fitness to practise
- the interests of Georgina Marie Cullen
- the public interest.

We sought to contact the person who made the allegation against Georgina Marie Cullen for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Georgina Marie Cullen no longer intends to work as a registered nurse
- the allegations against Georgina Marie Cullen aren't likely to result in a striking-off order

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Georgina Marie Cullen to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **11 June 2026**. In the event that Georgina Marie Cullen seeks readmission to the register, we may consider the matters that led to this agreed removal further.
