## **Agreed Removal Decision**

**Registrant:** Erika Kiss

**PIN:** 06J01520

**Part(s) of the register:** Registered Nurse - Adult Nursing

**Relevant Location:** Buckinghamshire

On 8 March 2024 we received a referral raising a concern about Erika Kiss' fitness to practise.

The referral gave rise to a concern that Erika Kiss has a health condition capable of impairing her fitness to practise.

Mrs Kiss is on an interim suspension order until 1 October 2026. No allegation against Erika Kiss has yet been found substantively proved by one of our statutory committees.

On 21 January 2026 we received an application from Erika Kiss for agreed removal from the NMC register.

### **ASSISTANT REGISTRAR'S DECISION**

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Erika Kiss' application for agreed removal, I've taken into account:

- The agreed removal application form sent by Mrs Kiss dated 21 January 2026
- draft charges
- CE decision letter to the registrant dated 21 August 2025
- the interests of Erika Kiss
- the public interest

We sought to contact the person who made the allegation against Erika Kiss for their comments on the application for agreed removal. No comments were received within a reasonable period.

I've taken account of advice from the Case Examiners in reaching this decision.

I'm satisfied that:

- Erika Kiss no longer intends to work as a registered nurse
- the allegations against Erika Kiss aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Erika Kiss to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 8 June 2026. In the event that Erika Kiss seeks readmission to the register, we may consider the matters that led to this agreed removal further.
