Agreed Removal Decision

Registrant: Amy Agnes Mcwilliams

PIN: 12I2125S

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: South Lanarkshire

On 19 June 2024 we received a referral raising a concern about Amy Agnes Mcwilliams' fitness to practise. It's alleged that Amy Agnes Mcwilliams worked while under the influence of an unknown substance and failed to cooperate with an NMC investigation.

Amy Agnes Mcwilliams denies that she attended work under the influence and says that the referral was malicious.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Amy Agnes Mcwilliams has yet been found substantively proved by one of our statutory committees.

On 11 May 2026 we received an application from Amy Agnes Mcwilliams for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Amy Agnes Mcwilliams' application for agreed removal, I've taken into account:

- Amy Agnes Mcwilliams' agreed removal application and supporting communication
- reasons for the decision to send the case to the Fitness to Practise Committee
- documents obtained during the investigation of the case
- the interests of Amy Agnes Mcwilliams
- the public interest.

We sought to contact the person who made the allegation against Amy Agnes Mcwilliams for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Amy Agnes McWilliams no longer intends to work as a registered nurse
- although serious, the concerns don't require consideration by the Fitness to Practise Committee in order to uphold public confidence or professional standards
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Amy Agnes McWilliams to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 9 June 2026. In the event that Amy Agnes McWilliams seeks readmission to the register, we may consider the matters that led to this agreed removal further.
