

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Lucian Teodor Svoronos

PIN: 10K0187C

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Oxfordshire

On 7 October 2024 we received a referral raising a concern about Lucian Teodor Svoronos's fitness to practise. It's alleged that he mismanaged medication by giving the wrong vaccine to eight patients. Lucian Teodor Svoronos says he gave the correct vaccine but that he recorded it incorrectly.

The matter was referred to the case examiners but we've not yet completed our investigation. No allegation against Lucian Teodor Svoronos has yet been found substantively proved by one of our statutory committees.

On 13 January 2026 we received an application from Lucian Teodor Svoronos for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Lucian Teodor Svoronos's application for agreed removal, I've taken into account:

- Lucian Teodor Svoronos's application for agreed removal
- correspondence and documents obtained in our investigation so far
- the interests of Lucian Teodor Svoronos
- the public interest.

We contacted the person who made the allegation against Lucian Teodor Svoronos for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Lucian Teodor Svoronos no longer intends to work as a registered nurse
- the allegations against Lucian Teodor Svoronos aren't likely to result in a striking-off order

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Lucian Teodor Svoronos to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **16 June 2026**. In the event that Lucian Teodor Svoronos seeks readmission to the register, we may consider the matters that led to this agreed removal further.
