Agreed Removal Decision

Registrant: Rosavilla Alayon

PIN: 01K14270

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Greater Manchester

On 8 July 2024 we received a referral raising a concern about Rosavilla Alayon's fitness to practise. It's alleged that Rosavilla Alayon failed to demonstrate the standards of knowledge, skill and judgement required to practise without supervision as a nurse.

Rosavilla Alayon accepts the concerns raised about her and has also raised challenges she faced at the time.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Rosavilla Alayon has yet been found substantively proved by one of our statutory committees.

On 22 January 2026 we received an application from Rosavilla Alayon for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Rosavilla Alayon's application for agreed removal, I've taken into account:

- agreed removal application dated 22 January 2026
- report to the case examiners and accompanying documentation
- case examiner decision letter dated 22 July 2025
- draft charges
- the interests of Rosavilla Alayon
- the public interest.

We sought to contact the person who made the allegation against Rosavilla Alayon for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Rosavilla Alayon no longer intends to work as a registered nurse
- the allegations against Rosavilla Alayon aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Rosavilla Alayon to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **9 March 2026**. In the event that Rosavilla Alayon seeks readmission to the register, we may consider the matters that led to this agreed removal further.
